Father's Day Roses

We will be placing red roses in the church on Father's Day. If you would like to include roses for the father's in your life please fill out an order sheet from the tables at the entrance doors at church and indicate who it is in memory or honor of. The roses are \$3 each. Please give your order form with your money to Robby. Because of summer trips, the deadline for ordering is June 7th. You can take the roses you order after the 11am service on Father's Day and give them to someone special in your life.

So many have keys to the church that a lot of people are in and out. With all the rain we have been having, the doors are swollen and not closing properly. Make sure when you leave that the door closes behind you. Thank you!
